TWO DOVES OF ONE NEST

*Two doves have come together.
It's love and respect that calls them here.
Into one nest for life forever.
One soul, one heart, one dream.*

*Two doves rejoicing together.
Two families sing a new song.
Two great joys unite as one now.
A party complete with dancing and song.*

*And so let us heartily join this feast!
Enjoying this wonderful food!
Imbibing this drink to slake our thirst!
To show them our love as we rejoice!*

*Honeybee, a great Enchantress,
Tiger-Heart, a Jedi Knight,
Of one nest now, great love sustaining,
One soul, one heart, one Blessing profound!*
